

Lindsey Meehleis

SPIRITUAL MIDWIFE, STORYTELLER

For the past 22 years, Lindsey Meehleis has worked in Healthcare, being called into Birthwork 20 years ago and having **witnessed thousands of women birth their babies**. Trained traditionally and licensed through the Medical Board, she quickly learned that what is needed in the magic and mystery of birth and death can't be found in a book. She weaves "**Great Grandma Wisdom**" into our modern world. She has witnessed a drastic shift in Healthcare since 2020 and looks forward to **co-creating a new future** of what true medicine always was. She gets down to the nitty-gritty of LIFE and everything it brings while illustrating the power that we have within, showing that birth, life, and death are pivotal **rites of passage** that deserve to be held in sacred deep reverence.
